## Our Club is in need of your assistance!

Our amazing Director of Finance will have so kindly volunteered three years with the Club as at August 2024.

As a member of the board, we sign on for a maximum of three years and while we are sad to be losing Vicki from the Director of Finance position, we are excited to welcome a new member onboard!

A board member must be a financial member of the Club and be elected at the Annual General Meeting (AGM) which will be held in August 2024.

The Club is putting this call out early as we know it'll be a tough role to fill but we also want to give anyone sitting on the fence the chance to chat with Vicki in advance of the AGM and get an idea of the time spent volunteering in this position and to ask any other questions.

We understand that volunteering can be daunting but we are here to work as a team and build a thriving Surf Life Saving Club in our amazing and ever growing suburb.

Please contact [yanchepfinance@gmail.com](mailto:yanchepfinance@gmail.com) or [registraryanchepslsc@gmail.com](mailto:registraryanchepslsc@gmail.com) for further information or if you have any questions.

# CADET CAMP

Our Cadets got to ditch the uniforms and dive into a weekend of pure awesomeness with our Club leaders and trainers. This time, we headed for Margaret River, where Surf Life Saving WA's new South West Development Centre became our home away from home.

Friday kicked off with a splash at Gnarabup Beach – waves, sand, and a friendly football showdown!

Saturday was a rocky adventure at Wyadup Rock, mastering the art of "Coasteering" with the daring folks from Margaret River Adventure Co. We pushed limits, laughed in the face of comfort zones, and then retreated to camp for some well-deserved pool time.

Our grand finale on Sunday was a surf spectacular at Gas Bay, courtesy of the legends at Margaret River Surfing Academy. From wipeouts to epic rides, everyone rode the waves – rookies conquered the whitewash, and the pros danced with the real deal.

A massive shoutout to our sponsor, Brookrise Fresh Produce, for making this yearly escapade possible. Without them, our beach bonanza would just be a sandcastle dream.

And of course, a round of applause for our superhero volunteers – Maddie, Kym, Tony, Joe, and Cerys. You guys rock harder than the waves we conquered!

## CHAMPIONSHIPS DAY 2

OUR U8-U13 WOODSIDE NIPPERS JUST OWNED THE MORNING WITH A TSUNAMI OF ENTHUSIASM. THRILLS, SPILLS, AND PURE BEACH BRILLIANCE – THEY DIDN'T JUST DIP THEIR TOES; THEY DOVE RIGHT IN!

HATS OFF TO OUR FEARLESS AGE MANAGERS, THE UNSUNG HEROES OF BEACHSIDE CHAOS. SHOUTOUT TO THE WATER SAFETY CREW – THE REAL MVPS KEEPING THE WAVES IN CHECK. AND LET'S NOT FORGET THE IRB TEAMS!

A STANDING OVATION FOR EVERYONE INVOLVED IN MAKING SURE OUR NIPPERS HAD THE TIME OF THEIR SANDY LIVES.

# SLSWA CHAMPIONSHIP QUALIFIERS

Congratulations to all our U10-U13 Nippers who competed at the recent SunSmart Nippers Qualifier event on 17-18 Feb at Mullaloo Beach.

The Nippers Qualifier is an opportunity for Woodside Nippers to test their skills against other Clubs for a chance to compete in the SunSmart WA Surf Life Saving Championships. These events are targeted at U10-U13 age groups and include beach sprints, flags, board race, board rescue and iron event.

While only a very small number can qualify for the Championships, we hope everyone had fun testing their skills against their peers!

Best of luck to our Nippers who will now compete at the Nipper Surf State Championships on 9th & 10th March!
